Synthetic Turf International

Your people were a dream to work with!

The amount of time they spent with me planning and designing my putting green was tremendous. The craftsmen that came to install the green were great and I was able to check the speed of the green throughout the installation process in order to make any adjustments.

This green is the closest thing to what I experience out on the PGA Tour and it by far exceeds any other product that's out there.

Sincerely,

A handwritten signature in cursive script that reads "Skip Kendall". The signature is written in black ink and is positioned to the right of the word "Sincerely,".
